December 15th Newsletter

FROM THE DESK OF THE PRINCIPAL

A week and a half left of school before the much needed Christmas Break will be here. Kids have been working so hard this year and, while there are fun activities going on in the week to come, kids are still working diligently everyday at all the learning that comes their way.

Our last day of classes before the Christmas break is December 23rd and we will be back in the New Year on January 9th. Our January assembly will be the first day back after the break.

Everyone at PES would like to wish each and every student and family a joyful holiday season. We hope that you are able to relax, enjoy the outdoors and reconnect with each other. We cannot wait to see all of our students in the New Year.

Yours in Education,
Mrs. Giselle Meyer, Acting Principal
Mr. Mark Crawford, Acting Vice-Principal
