

Penhold Panther Chronicles

June 1st Newsletter

FROM THE DESK OF THE PRINCIPAL

June officially begins today which means we only have 18 school days left with our students. Teachers are busy wrapping up their teaching, getting final assessments completed, and trying to sprinkle as much fun into their final days as possible. We have a jam packed month with our annual field day, a talent show, and field trips.

As we mentioned in our previous newsletter, we had some staffing changes and with that came the need to hire a new teacher. Miss Maren Eberts will be joining us on our Grade 4 team. Miss Eberts is a recent graduate of RDP and grew up in Central Alberta. Miss Eberts has a passion for learning, sports, and ensuring all students are successful in her classroom. We are certain Miss Eberts will be the perfect addition to our school team.

In preparation for next year, we are asking all parents to please ensure they are able to log into our PowerSchool portal. In mid August, the division will send out demographic forms which is much earlier than other years. Unfortunately, since our office will still be out for summer, we need all parents to ensure they can log in before we leave for summer. If you have issues, please give us a call at the school.

As parents, you may or may not notice that June can be a tough month of kids. The excitement of summer is paired with the unknown of next year, leaving their current classes which have become like family, in addition to longer days of sunlight, spring sports, etc. If you notice your child is struggling more this time of year, please give a heads up to their teachers

The results from our division survey are out. Please click on the link below to see the key areas that our division will focus on moving forward in ensuring CESD students have great experiences in our schools.

Yours in Education,
Mrs. Giselle Meyer, Acting Principal
Mr. Mark Crawford, Acting Vice-Principal

FIELD DAY

June 9th

Remember to send your child with water, a hat, and sunscreen

Field Trips

Please ensure you have completed consent forms and paid fees (if required) for students to attend field trips.

Any issues or questions, please call the office

Have you paid your fees?

We are at the end of the year and need for all school fee accounts to be paid. If you have issues with accessing the portal or have questions, please call the school office

Free Lunch Fridays

Are Here!!

From now until the end of June student can enjoy BBQ'd food for lunch every Friday
