

Penhold Panther Chronicles 2023/2024 September 22nd

FROM THE DESK OF THE PRINCIPAL

We have officially welcomed fall and with that, we will see more temperature fluctuations each day. Please remind your child to bring a coat, appropriate shoes and maybe have a toque stashed in their backpack. On rainy days, we will aim to be outside as long as it is not a downpour so please send your child with a coat that has a hood or an umbrella.

We are patiently awaiting an announcement of who will be building our new school and when the building process will begin. This announcement will come from Alberta Education which we are anticipating will come in the first part of October.

Our parent council has been working very hard to raise funds so we are able to build a playground at our new school. They are hoping to have all funds raised within the next year. We cannot express how thankful we are for the hard work that has been put in by a small group of people. They are needing help with their up and coming fundraiser so please follow the link below if you are able to contribute.

Our first monthly assembly is coming up on October 2nd. Assemblies are held on the first Monday's of the month at 2:15pm in the gym. We give awards to students who show our Panther 5 and our monthly character trait. If your child is getting an award, your child's teacher will let you know ahead of time so you can attend if you wish.

We know the kids will all be tired this weekend and the extra day off will be much needed. Teachers are already well into curriculum and kids are working hard.

Please check our website main page to see more information that is coming up at PES. Additionally, information is linked in this newsletter.

Yours in Education,
Mrs. Giselle Meyer, Acting Principal
Mrs. Jill Neilson, Acting Vice-Principal

HOT LUNCH ORDERS

October Deadline is September 28th
