Teacher Assignments for 2024/2025

We've shuffled a few teachers in our building, so you'll see some new faces in different grades!

Grade 4 Team: Ms. Eberts, Ms. Boone, Ms. Hammer and a new hire....tbd.

Grade 5 Team: Mrs. Hannett, Ms. Wiggins and Mrs. Johnson

Grade 6 Team: Mrs. Fletcher, Mr. Massey and Mrs. Deschambault

Student Services Room: Mrs. Neilson

Admin Team: Mrs. Baird (Principal) and Mrs. Meyer (Vice Principal)

School Fees

If you have not done so already, please login to [Student Quickpay](#) to pay your child's school fees. CTF Option Fees and Agenda fees have been posted to your account already this school year. Our grade 4's will start swimming in May, and the fees have also been added to accounts.

All outstanding fees need to be paid before students can attend year end field trips with their classmates.

Please connect with Mrs. Baird or Mrs. Meyer at the office if you need some support with school fees!

We now have a DEBIT Machine at the school office

From the Principal's Desk

The month of June is here! Students, as always are on the countdown to summer while our teachers are still pushing hard to teach curriculum and finish out their year plans. Field trips are in full swing, and students are enjoying new experiences that supplement that curriculum they have been learning through the year! We are so proud of the achievements students have made this year, and the growth they have shown!

We have appreciated all of those parents and guardians who have stepped up to volunteer their time to support our teaching teams on field trips and those that will be joining on the school wide field day! We know the paperwork is daunting, and time consuming, but we are so appreciative of all your help!

With year end planning comes the changing of roles and staffing. Mr. Deckert has accepted a teaching position in Ponoka and will be leaving the end of June. Mrs. Fletcher from Jessie Duncan will be joining the PES team in Grade 6. Ms. Lodewyk our Learning Commons Technician will be heading back to school in the fall to pursue her Masters. Leaving our office will be Mrs. Andrews who supported in the with the nutrition program. Mr. Evans, our current custodian will be heading over to PenX for next school year.

We wish all of those staff who are moving on all the best in their new adventures!

Our support staff, Mrs. Keeler and Ms. Argent will be returning for the 2024/2025 year. Mrs. Keeler will be supporting in the Learning Commons, along with her role as an EA. Running our Office is our fabulous Mrs. Rose and Ms. Boorman will be back in the kitchen providing our students with delicious breakfasts and hot lunches.

Our teaching teams have been working hard at finalizing placements for our students homerooms for next year. Our school plan is to share with students the last day of school who their next year's teacher will be. They will have the opportunity to spend 15 minutes with their new teacher, and classmates!

We have a number of fun activities taking place in the next 3 weeks of school! Thank you to our staff for planning many fun and engaging activities. Please be sure to send your child to school with the proper clothing and attire for their field trips.

There are still outstanding school fees from some families that need to be paid. Our office staff will be reaching out to those who still owe swimming, option and agenda fees. These are to be paid before the year end field trip.

Our last day of classes for the students is the 27th of June. The day ends at 12:00pm, and buses will be here to pick up students. The Penhold Volunteer Fire Department will be here with their trucks at 11:40am to spray the students with water! This is a fun traditional event for our students and they love the exciting send off to the summer months!!

As always, we are truly grateful for the support you offer our staff, and your children! Have a safe and enjoyable summer! See you in the fall! Please join us for our "Welcome Back BBQ" on August 30th from 12:00pm until 1:30pm.

Yours in Education,
Mrs. Lisa Baird
Principal of PES

Dress Code

Please take time to talk with your child regarding their clothing as we are heading into summer weather. All students are expected to have their chests, stomachs, and behinds covered. Our school is a professional building we expect everyone to be dressed in a respectable manner.

Year End Field Trips

With all of the field trips taking place, parents/guardians are getting their inboxes swamped with permission forms. Please make sure that these are filled out as soon as possible! If you are needing one resent, reach out to your child's teacher.

Field Day

Our yearly Penhold Elementary School Field Day is taking place this Thursday! Students will be participating in 12 different events, and spending most of the day outside with their classmates! Hot dog lunch and fruit will be provided to all students. Please be sure to send your kids with a full water bottle and running shoes.

Parent and School Council Update

PAC would like to say a huge THANK-YOU to all the parents, school community, teacher, and volunteers on Council, for a great school year! We are so appreciative of all the support received this year in our efforts to fundraise for the new playground. We wish our entire community a great and happy summer. See you next year!

Our 2024-2025 school year PAC and School Council Annual General Meetings will take place on September 10th. Please refer to the school website for a listing of the positions available and stay tuned to the [PAC Facebook Site](#) for updates. A listing of positions can be found here: [Parent Council Website](#)

A special shout out and thank-you to parents and community members that gave at our Charity Checkstop this past weekend. Over \$2300 was raised for the playground! Thank you and way to go!

New Fundraiser: Radio Bingo is coming on June 22nd! Details on the slides below! We hope you and your friends come on out for this fun event!

SCHOOL ENGAGE

Penhold Elementary School Staff are planning ahead for the upcoming year.

In mid-August, Chinook's Edge will be sending home your "Annual Re-Enrollment and Consents" for the 2024-2025 year.. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year. The form contains a Walking field trip, Technology, and FOIP consents that has to be completed every year before your child can participate in these activities.

We are asking parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school before the end of May to get help.

This is for all active Kindergarten to Grade 12 students.

Please try to sign into the link below to ensure your username and password are correct and work.

Alberta Transportation and Economic Corridors

Highway 2A Roundabout Construction

Intersection of Highway 2A, Highway 42 and Highway 592 at the Town of Penhold

Overview

During the summer of 2024, Alberta Transportation and Economic Corridors will begin a major upgrade at the intersection of Highway 2A, Highway 42, and Highway 592 within the Town of Penhold.

Project Details

The project will convert the existing two-way stop intersection into a two-lane roundabout. Construction includes grading, paving, concrete, installation of overhead illumination and other minor work.

Construction will begin in early June 2024 with an anticipated completion date of October 2024, weather permitting. Work on site is expected to take place Monday to Saturday between the hours of 7 am to 10 pm and Sundays, 9 am to 10 pm. No work will occur on statutory holidays.

The work is expected to progress as follows:

Stage 1—June/July: No change to the existing intersection configuration. Work will be completed adjacent to the existing intersection.

Stage 2—July/August: Traffic is shifted to a detour, allowing for construction of the roundabout centre island and inside lane.

Stage 3—August/September: Traffic will be shifted onto the inside lane of the roundabout while the outer lanes and islands are constructed.

Stage 4—September/October : The roundabout will be fully opened to traffic while site clean up is underway.

A speed reduction to 30 km/h will be posted in the construction zone for the duration of the project. Onsite detours, when required as listed above, will be located in the NE quadrant of the intersection. A four way stop condition will be in effect for the duration of the detour.

Traffic Impacts

A traffic accommodation strategy will be in place to mitigate the impacts to road users and adjacent property owners. This includes additional signage, delineation, and illumination.

All businesses and residences adjacent the intersection will remain accessible throughout the duration of the work.

Signage with additional information on construction timing will be posted on site prior to construction. Local residents may wish to consider alternate routes.

Please watch for all and obey all construction zone signage. For up to date information on this project, please call 5-1-1 toll free or visit 511.alberta.ca
