

# **CTF OPTIONS**

## **@ PES**

# **WHAT TO expect**

- OPTIONS WILL BEGIN OCT 21ST FROM 2PM - 3PM
- OPTIONS WILL NOT OCCUR ON MONDAYS WHERE THERE ARE ASSEMBLIES
- STUDENTS WILL GET TO PICK THEIR TOP 5 CHOICES
- YOU ARE NOT GUARANTEED TO GET YOUR TOP 5 (BUT WE WILL TRY...)

**HERE ARE YOUR  
CHOICES**

**ROUND #1 AND #2!**

# PODCASTING 101

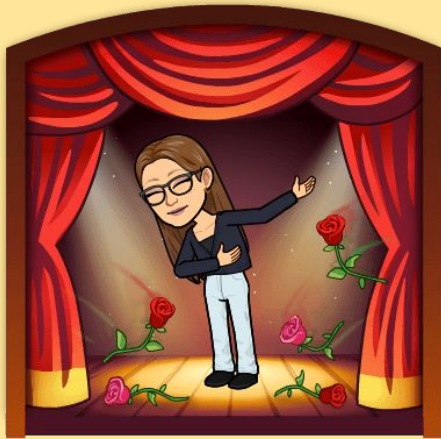

Would you like to learn what it takes to create a podcast where you share the news or a special skill you have? If so, Podcasting 101 might be the option for you! We will explore different types of podcasts, and plan and create our own podcasts to share the events going on in our school and in the community.

Miss Wiggins

# DRAMA

Have you ever wondered what it all took to put on a show? Have you always enjoyed the spotlight and sharing your performing talents?

Then this Drama option is for you. Over 5 weeks we will learn and create theatre together. Where students have the chance to act, and storytell. We also will play games and learn about Drama Jobs along the way!

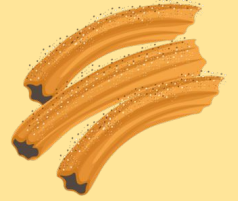

Miss Eberts

# NEXT STOP: MEXICO!

Hola amigos! Are you interested in travelling the world one day? Come explore the food, art, language and culture of Mexico with Miss Boone! Some things to look forward to in this option are making your own maracas, trying some international foods and learning new greetings and phrases. In this option we will immerse ourselves in Mexican culture and see how this can be related to careers in tourism. Hasta pronto (see you soon)!

**Hola  
AmiGo!**

With Miss Boone

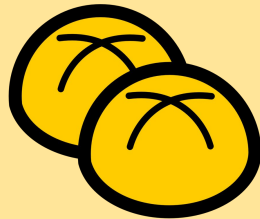

# LET'S BAKE

Do you love to bake, or wish you knew how to? If so join Ms. Boorman and Mrs. Neilson in the baking option where we will learn about kitchen safety, baking skills, tidying up skills, and have the opportunity to take home all the delicious treats you make!

We will make biscuits, banana bread, buns, cookies, brownies and pizza!

Ms. Boorman & Mrs. Neilson

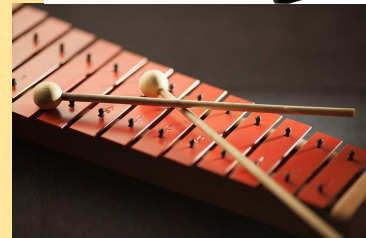

# MUSIC - LET'S PLAY!

Do you wish you had more time to play and explore different instruments in music class? Are you eager to improve your skills on specific instruments?

In this class, you'll have the opportunity to expand your abilities by focusing on reading and playing music with xylophones, bells, handchimes, or ukulele—or even singing! We'll get to play popular songs while challenging ourselves to grow as musicians.

With Miss Hammer

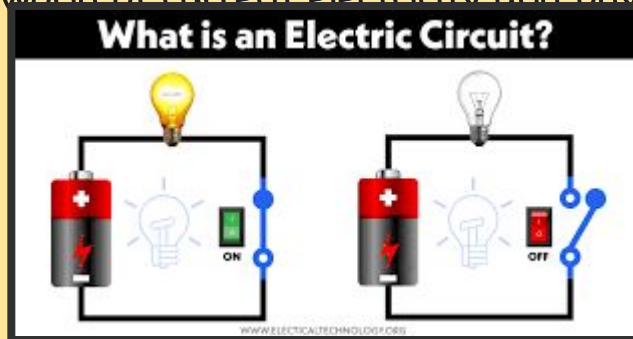

# STEM!

If you enjoy experimenting, working with others to problem solve then STEM is for you!

STEM stands for Science, Technology, Engineering and Mathematics. It is an approach to learning, and development that integrates the areas of science, technology, engineering and mathematics. This option will give you the opportunity to explore the world of current electricity and physical reactions in chemistry.

**LET'S GO!**

Mrs. Hannett

# SHOOT THE moon!

In this woodworking option, you will create a classic game of speed and skill while learning to make a custom made wood product. If you have an interest in carpentry and like building things, this option is for you!

Mrs. Johnson

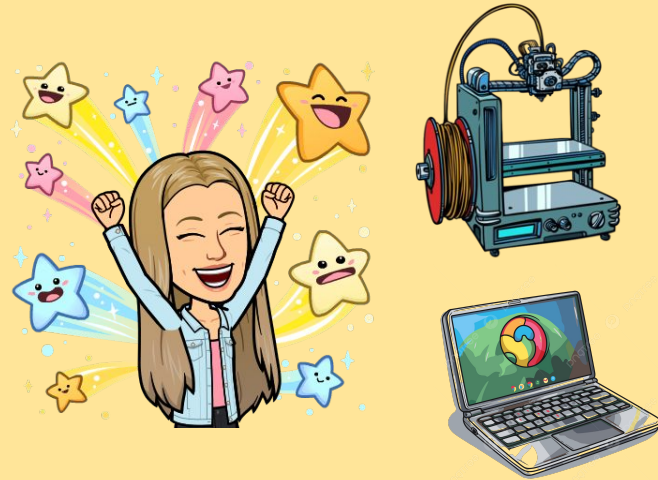

# MAKERSPACE!!

Do you love playing board games and want to create one of your own? This Makerspace option is all about designing and building a game from scratch or reimagining an existing one!

You'll develop the rules, game board, and strategy, and bring your vision to life. Using technology and our 3D printer, you'll design and create custom game pieces to make your board game truly unique. Whether you create a brand-new game or put your own twist on a favorite, this is your chance to become a game designer!

With Miss Boone

# **cosMETOLOGY!**

Would you enjoy learning about and increasing your knowledge and skills about personal health and appearance?

**\*\*there will be a short research project in this course**

Ms. Fletcher

# **COOPERATION AND LEADERSHIP THROUGH PLAY!**

**Are you ready to have some fun?**

Students will come to the gym prepared to move and have fun. The focus of this class will be learning new games, cooperating and displaying outstanding leadership.

Teacher: Mr.Massey

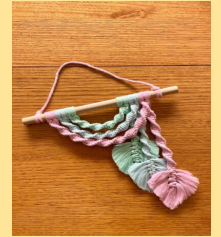

# MACRAME/ CROSS

# STITCH/

# EMBROIDERY!

Do you enjoy creating jewelry, household decorations, and other hand-made crafts?

In this course, we will be making keychains, wall hangings, and other projects, using a variety of materials and methods. If you have a creative mind (and a passion for constructing), this option is for you!

Mrs.  
Deschambault

# CODING!

Do you want to create a movie or a game using coding?  
Want to bring some great stories to life digitally? Join coding where students will be introduced to an online platform where they can create a story or movie or a video game.

Mrs. Meyer

# KARATE!

Would you be interested in learning new tricks on how to escape, in karate you will learn passive releases and the joy of learning a new skill

Ms. Fletcher

# LEATHER POUCH MAKING!

In this option, you will use professional leather making tools to create a leather pouch. Learn how to stitch, use an awl and how to join leather pieces together using rivets.

Mrs. Johnson

# MULTI MEDIUM ART!

Do you love to create? Do you love to create using anything and everything around you? In this class students will be able to utilize an unlimited number of mediums to create their masterpiece!

Mrs. Meyer

# DESIGNING AND CREATING GREETING CARDS!

If you enjoy doing crafts and/or scrapbooking then you will really enjoy this option. You will be given the opportunity to create and design a variety of greeting cards using techniques, such as layering, embossing, and stenciling.

# **PAINTING!**

**Is painting your passion? Have you tried watercolour painting? If not, this is your chance.**

Students will come prepared to learn how to paint with watercolours and have fun. The focus of this class will be learning new skills and techniques and being creative.

Teacher: Mr. Massey

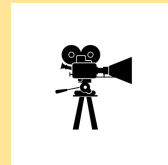

# FILM STUDIES!

Do you LOVE television and movies?

In this option, we will be exploring a variety of short films- Discussing genre, characters, and underlying message! We will also explore the different ways that directors use colors, lighting, angles, and music to tell stories, and create magic for their viewers.

**\* Please note that there is a writing component to this course \***

Mrs. Deschambault

# LEADERSHIP

Come join leadership!!

Miss. Eberts

Are you ready to make a difference in our school? In Leadership, you'll have the chance to plan exciting activities like theme days, games, and even help run concessions for school events like dances. Learn what it mean to be apart of your school community.

If you want to learn how to be a positive role model and make our school even better, this is your chance! Join and take the lead!
