

CTF OPTIONS @ PES

WHAT TO expect

CHANGING IT A LITTLE BIT FROM LAST
ROUNDS....

- STUDENTS WILL GET TO PICK THEIR TOP
5 CHOICES FOR EACH ROUND
- YOU ARE NOT GUARANTEED TO GET
YOUR TOP 5 (BUT WE WILL TRY...)

**HERE ARE YOUR
CHOICES**

ROUND #3!

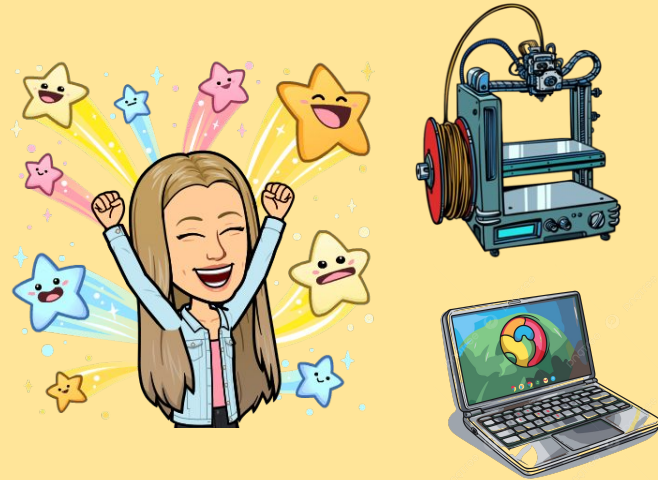

MAKERSPACE!!

Do you love playing board games and want to create one of your own? This Makerspace option is all about designing and building a game from scratch or reimagining an existing one!

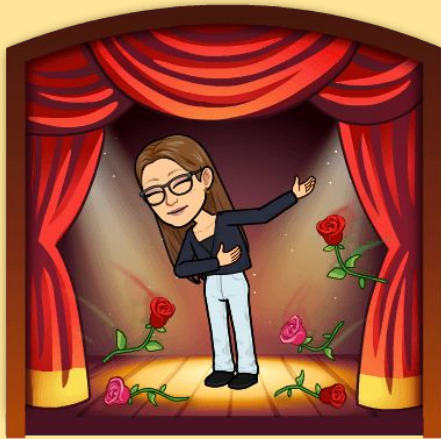

You'll develop the rules, game board, and strategy, and bring your vision to life. Using technology and our 3D printer, you'll design and create custom game pieces to make your board game truly unique. Whether you create a brand-new game or put your own twist on a favorite, this is your chance to become a game designer!

With Miss Boone

DRAMA

Have you ever wondered what it all took to put on a show? Have you always enjoyed the spotlight and sharing your performing talents?

Then this Drama option is for you. Over 5 weeks we will learn and create theatre together. Where students have the chance to act, and storytell. We also will play games and learn about Drama Jobs along the way!

Miss Eberts

ANIMAL CAREERS

Have you always loved being around animals?
Are you interested in getting a job when you
are older where you get to interact with
animals?

This option will explore the many career
possibilities that you can think about in the
future.

Miss Wiggins

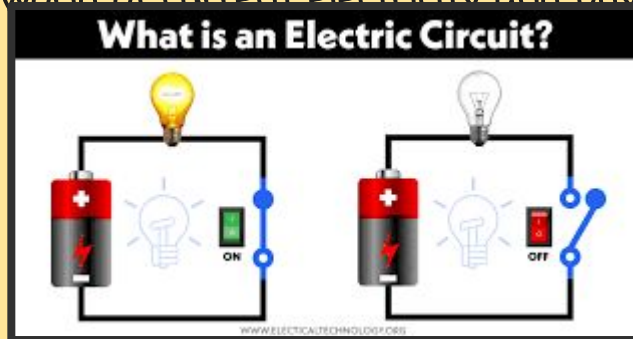

STEM!

If you enjoy experimenting, working with others to problem solve then STEM is for you!

STEM stands for Science, Technology, Engineering and Mathematics. It is an approach to learning, and development that integrates the areas of science, technology, engineering and mathematics. This option will give you the opportunity to explore the world of current electricity and physical reactions in chemistry.

LET'S GO!

Mrs. Hannett

INDIGENOUS BEADING!

Are you interested in learning how to create intricate patterns through beading? Indigenous beading has a rich history in Canada, known for its elaborate and meaningful designs.

We'll start by creating a poppy on felt, and once you've finished, you can either select a design or create your own

orn. Join me to explore this beautiful art form and

creativity shine!

Ms. Fletcher

WOODEN SIGN MAKING

In this option you will be making a wooden sign to proudly display at home. You will be sanding, painting, and decorating a piece of wood to make it beautifully yours! If you like to be creative and learn all about being crafty..join this option!

Mrs. Johnson

(projects will be different from photos below)

COOPERATION AND LEADERSHIP THROUGH PLAY!

Are you ready to have some fun?

Students will come to the gym prepared to move and have fun. The focus of this class will be learning new games, cooperating and displaying outstanding leadership.

Teacher: Mr.Massey

MYTHBUSTERS

Do you enjoy Science and Inquiry?

In this course, we will be viewing and performing a variety of experiments to test commonly-accepted “facts,” and discovering for ourselves which are true, and which are simply myths.

* Please note that there is a writing component to this course!

Mrs.
Deschambault

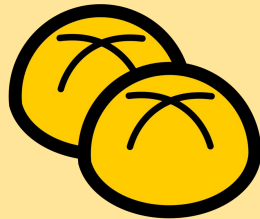

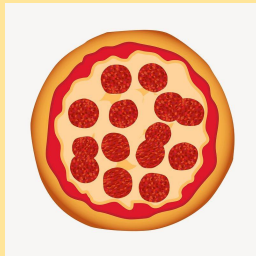

LET'S BAKE

Do you love to bake, or wish you knew how to? If so join Ms. Boorman and Mrs. Neilson in the baking option where we will learn about kitchen safety, baking skills, tidying up skills, and have the opportunity to take home all the delicious treats you make!

We will make biscuits, banana bread, buns, cookies, brownies and pizza!

Ms. Boorman & Mrs. Neilson

LEADERSHIP

Miss. Hammer

Are you ready to make a difference in our school?

In Leadership, you'll have the chance to plan exciting activities like theme days, games, and even help run and plan events for our school. Learn what it mean to be apart of your school community.

If you want to learn how to be a positive role model and make our school even better, this is your chance! Join and take the lead!

COSMETOLOGY

Are you ready to dive into the exciting world of beauty and style? This option is your chance to explore a fun and dynamic career path that's all about developing your skills in cosmetology!

Miss Pennock

ROBOTICS

Do you love to build robots? Or do you think you would enjoy building and programming robots?

We will be using our new Vex robots where you can build and program robots.

Mrs. Meyer

ROUND #4!

BIKE RIDING!!!

- Are you an outdoor enthusiast?
- Do you like to get out and enjoy your surroundings?
- Do you like physical activity, to increase your cardio?

Then come join the biking option! This option aims at the opportunity to adventure outside of the school grounds while mapping out routes to bike around town. We also will practice and learn the importance of bike safety and how to maintain your bike.

WHAT YOU'LL NEED: BIKE HELMET, A BICYCLE IN WORKING/RUNNING CONDITION.

PROPER FOOTWEAR

THE ABILITY TO BRING YOUR BIKE OR SCOOTER TO AND FROM SCHOOL ON OPTION DAYS.

ANIMAL CAREERS

Have you always loved being around animals?
Are you interested in getting a job when you
are older where you get to interact with
animals?

This option will explore the many career
possibilities that you can think about in the
future.

Miss Wiggins

USING GOOGLE SLIDES..SO MANY EXCITING TOOLS!

Learning about Google Slides tools helps you create engaging presentations by adding text, images, and animations. Exploring features like slide layouts, transitions, and collaboration tools makes it easier to design and share ideas!

GYM GAMES

Join us in the gym for a session full of fun and exciting new games! Together, we'll focus on having fun while learning how to cooperate, sharpen our decision-making and problem-solving skills, and boost our memory. Don't miss out on this great opportunity to play, learn, and have fun!

Mrs. Deschambault and Ms. Fletcher

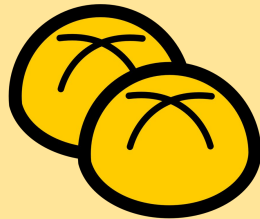

LET'S BAKE

Do you love to bake, or wish you knew how to? If so join Ms. Boorman and Mrs. Neilson in the baking option where we will learn about kitchen safety, baking skills, tidying up skills, and have the opportunity to take home all the delicious treats you make!

We will make biscuits, banana bread, buns, cookies, brownies and pizza!

Ms. Boorman & Mrs. Neilson

WOODEN SIGN MAKING

(projects will be different from photos below)

PAINTING!

Is painting your passion? Have you tried watercolour painting? If not, this is your chance.

Students will come prepared to learn how to paint with watercolours and have fun. The focus of this class will be learning new skills and techniques and being creative.

Teacher: Mr. Massey

ACTS OF AWESOME

Would you like to make a meaningful impact in our community? Do you enjoy helping others?

In this option, we'll come together to make a difference in Penhold through acts of kindness, volunteering, and giving back.

Here's what we'll do:

- Beautify our community by weeding and planting gardens.
- Build connections with our Seniors.
- Participate in various volunteer initiatives around town.

Let's join forces to create a stronger, more vibrant Penhold—together, we can make a difference!

With Miss Hammer

FORENSIC FUN

Do you love solving mysteries and uncovering clues? Step into the thrilling world of forensics, where you'll learn how to analyze evidence, crack cases, and think like a real detective! From fingerprints to footprints, every detail holds the key to solving the puzzle—are you ready to become a crime-solving expert?

With Miss Pennock
